After 2 years of isolation NWORP's Family Fun Day and the Small Layout Meet are back. Come have a fun day with fellow Micronuts, promote Model Railroading to the public and get a ride on the 15" gauge. We have everything from On18 5" diameter logging to switching puzzles, pizza's, gumstumps, and modular.

The 15" includes NWORP's Steam 4-6-4 and the Riverside Streamliner.
Food will be available on site with several other local options

Deshler Crossroads Park (Crossroads of the C&O) and Fostoria's Iron Triangle Railroad park are about 30 minutes away. (Wave at the VRF Camera!)
