

# Train Order

Division One NCR

Volume 38, Issue 6 February 2013

## Cab Signals

Fred Lux

Mike Anteau presented a very interesting and informative program on the FastTrack system at the January meeting. Everyone seemed to enjoy it.

This month, Dean Pyers will be presenting a program on the Restoration and Preservation of Pere Marquette #1225, This should be a very interesting and informative clinic.

Dave McMullian will be running the meeting this month. He plans to open discussion on several topics, including clinic interests for the future, member activities for the April meeting, and ideas for a May outing. Come prepared to share your ideas.

I am sure you have notices that my column has been getting shorter and shorter as this year progresses. Typing is becoming more and more difficult as a result of Parkinson's Disease. Because of this, I have decided that the May issue of the Train Order will be my last. I have published the newsletter for a little over 5 years now. It is time for someone else to step up and take over. I am more than willing to share my templates, in Word format, with the new editor / publisher.

The upcoming subjects for Show and Tell for the rest of the year are listed below. They are

February: Any Locomotive, Steam or Diesel.

March: Any NON-lineside structure.

April: Anything railroadiana

Hope to see you at the February meeting.

-----

## Minutes of Division One, NCR January 18, 2013

Collingwood Presbyterian Church, Toledo, OH

Attendance: 25

Business meeting convened at 7:30 by Superintendent Fred Lux.

Minutes of December 2012 meeting were approved as distributed in the Train Order.

Treasurer's Report: Phil Kaufman stated that the Division bank account held in excess of \$4000 of which \$1000 would be transferred to the Convention account as approved at a previous Division meeting. Lou Glatzer, Division One Librarian, reported on the status of the Library. He made a request that the Division purchase a cart to keep the library materials on so that they could be easily moved into the meeting room on meeting nights. Superintendent Lux directed him to get some cost estimates and report back at the next meeting.

There being no other Old or New Business, the business meeting was adjourned at 7:50pm.

The Door Prize drawing was held next.

Following a time for refreshments, Mike Anteau made a presentation on the Fast Tracks system of constructing turnouts, including a demonstration of actual construction of a turnout.

After the presentation, Tips and Tricks was held, followed by Show and Tell.

The meeting adjourned at 9:50pm.

Division 1, NCR, NMRA
